Thank You Coffee Hour Hosts

Thank you to all who serve as hosts for our Sunday morning coffee hour. We think of "coffee hour" as an extension of our 10 a.m. worship service where a friendly atmosphere, with coffee and light snacks, allows everyone to meet new people and strengthen friendships. Two people share hosting each Sunday and if we can add a few more regular hosts, we will be able to schedule each person only two Sundays a year. If you could help, or have questions, please contact Dave Bishop at trinityfishkill@verizon.net (845-896-9884) or Rosemarie Waian at rosemariew81@optimum.net (845-297-5572).

Honoring This Year's Graduates

Congratulations to Lincoln Bishop, who graduates June 23rd from Maple Leaf Day Care. Lincoln will be attend kindergarten in Bradt Primary School in his home town of Rotterdam, N.Y. next September.

If your family is celebrating a graduation please let us know. We can include that good news in our next weeks bulletin and Trinity E-Newsletter. Email the parish office (trinityfishkill@verizon.net) with the student's name, school, degree (if applicable), and any other information you would like to include.

Episcopalians in the Park

The Church of the Resurrection is inviting all the area Episcopal Churches to join together on **July 29th from 2 p.m. to 7 p.m.** We will gather on the front lawn of St. Luke's in Beacon to celebrate our faith and get to know our fellow Episcopalians better. There will be food, music and games. For more information contact Janice Kotuby at jan.kotuby@gmail.com and let her know if you have favorite games or want to play music or join a band for the day. Each church will be asked to bring a category of food for the day.

You Can Advocate for Justice in Christ's Name

Our Diocesan bishops have urged us to join in the fight against modern-day slavery by asking our state representatives in the Senate and Assembly to support crucial legislation on human trafficking. The New York Senate and Assembly are currently considering legislation (S.5955/A.06834) to lessen the prevalence of human trafficking in hotels and put systems in place to identify and protect victims.

Become an advocate today by contacting your state representatives at tinyurl.com/y7kopfw4.
