***Easter***

A big thank you to Fr. Michael Phillips for a beautiful service. All who enjoyed the special brunch after and the special egg hunt after will remember this for a long time.

## *Playground*

A big thank you to the Shanahan family for renovating and beautifying Trinity's aging playground. The extra soil, weed block, rubber mulch and swings provide more fun and safety for all and will make future maintenance much easier.

## *Improved Security*

Thank you to Don and Wayne for installing the three new cameras in Trinity's parking lot. These will be a big help to us as we continue to improve the security.

## *Monday Morning Notes from Bishop Hyed*

### ***Alleluia! Christ is risen!***

**I hope that you all had a wonderful and joyous Easter.**

I'm inspired by stories of energy and connection across our Diocese that you've shared from the last week.

It's a powerful sign of the movement of the Holy Spirit through our local communities: From Palm Sunday processions through our neighborhoods to ' agape meals on Thursday night to moving preaching

on Good Friday to baptisms at the Vigil to bursting-at-the seams Easter services. Christian communities engage over seven days and across all seasons— but Holy Week offers us a reminder of how deeply people need to connect with transcendence and how much they want to belong.

- Our story is renewal, not decline. We're changing together.

I'm really grateful for the remarkable service by clergy, choirs, ushers, altar guilds, vergers, sextons (maybe a thousand people in total across our Diocese?) that make our Holy Week observances possible.

And, I hope that everyone finds space for respite this week.

Grace & Peace.
